ASTRO PI[1] MISSION ZERO
Pixel Art

Send a personalised image to the astronauts on the International Space Station!

Your image should be inspired by nature, on Earth or beyond: trees, flowers, animals, insects, rainbows, or alien life forms.

Example images from Mission Zero 2023/24.

These are all 8x8 pixel-art (8 pixels high by 8 pixels wide). Pixels are picture elements.

- Open pixilart.com and login as **CodeClub67**.

[1] astro-pi.org

- **NEW DRAWING**
  1. Click **START DRAWING**
  2. input width 8, and height 8.
